Green ERA-Hub - Contributions to a sustainable and resilient agri-food system

PUBLISHED 23 MAY 2023 | LAST UPDATED 08 JUN 2023

Financial scheme: Joint transnational calls

Program: Green ERA-Hub

Pre-registration:: 20 July 2023, 00:00 CEST

Deadline: 7 September 2023, 00:00 CEST

Relevant thematic areas for this call:

Land-based food, the environment and bioresources

Target groups: Research organisations

Contact person: Nina Elisabeth Solheim | Mat og bioøkonomi |
nsf@forskningsradet.no

First funding call

The objective of this Call is to support projects that contribute to the development of more sustainable and resilient food and farming systems.

Green ERA-hub builds on the cross-sectoral collaboration between ERA-Nets in agriculture and biotechnology, through joint transnational funding of research projects.

To achieve the aim of the call, four directions shall be taken into consideration and are subject to this call:

1. Enhance fertilizer efficiency and reduce fertilizer use
2. Increase European protein self-sufficiency
3. Mitigate GHG emissions in agricultural and food systems
4. Sustainable energy use and production in agri-food systems

The application must be pre-registered via online submission tool until 20th July 2023.

20 June at 11:00 CEST a webinar will be organised for interested applicants. [Read more about the call and how to apply on the Green ERA-Hub website.](#)
