We received a total of 10 applications asking for 936.000 NOK. We had 800.000 NOK available and were able to fund 8 meetings to total sum of 770.000 NOK. All project responsables will receive a mail this week with the details.

All side meetings will be held prior or right after the Svalbard Science Conference that will be held at Scandic Fornebu, Oslo 5.-6. November.

If you are interested in more information about side meetings or possible participation, please contact the SSF on [SSF@rcn.no](mailto:SSF@rcn.no) and we will put you in contact with the relevant person.

And remember to sign up and submit your abstracts for the conference: [www.nfr.no/svalbardscienceconference](http://www.nfr.no/svalbardscienceconference)
