

We hereby provide information from our institution/department/industry to be included in the list of CCS-institution/industry to be published on the ACT-homepage ([www.act-ccs.eu](http://www.act-ccs.eu)).

**1. Name of Institution:**

Christian Michelsen Research AS

**2. Abbreviation:**

CMR AS

**3. Department:**

Science and Technology

**4. Speciality (ies) field within CCS:**

Storage:

Water column monitoring/leak detection (chemical, acoustic)

Machine learning, predictive systems

Fiber optic sensing, temperature, seismic

Reservoir modelling, verification, temperature

Visualization of geological and seismic data

Fast simplified and accurate simulation tools

Storage capacity

Transport:

Flow assurance

Corrosion inspection and monitoring

Capture:

**5. Web-page:**

<http://www.cmr.no>

**6. Other info:**

Centre management/dissemination

## 7. Contact person:

Name: Stian Anfinsen

Position: Department MAnager

Address: Fantoftveien 38, 5072 Bergen, Norway

e-mail: Stian.Anfinsen@cmr.no

Phone: +4791568981

Place and Date: Bergen 16.02.2016

Signature:
