

We hereby provide information from our institution/department/industry to be included in the list of CCS-institution/industry to be published on the ACT-homepage ([www.act-ccs.eu](http://www.act-ccs.eu)).

1. Name of Institution:

INCDO-INOE 2000, Research Institute for Analytical Instrumentation

2. Abbreviation:

ICIA

3. Department:

Research-Designing

4. Speciality (ies) field within CCS:

Chain integration, Storage, Technologies for biofuels obtaining, GHG emissions

Web-page: [www.icia.ro](http://www.icia.ro)

5. Other info: national research institute dedicated to applied analytical chemistry in three main directions: Bioenergy and Biomass, Analytical Chemistry, Environment and Health. The institute is accredited for research since 2008 (ANCS Decision no. 9634/14.04.2008) and at the research institute evaluation, it obtained grade A+. ICIA has implemented the quality management system according to ISO 9001:2008 (certificate nr. RO13474Q). ICIA has two laboratories having RENAR accreditation: laboratory for biofuel quality certification (CABIO) and environmental analysis laboratory (LAM). Based on the results obtained within the frame of Bioenergy-Biomass field ICIA was admitted in the *European Renewable Energy Research Centres Agency (EUREC)*.
