

We hereby provide information from our institution/department/industry to be included in the list of CCS-institution/industry to be published on the ACT-homepage (www.act-ccs.eu).

1. Name of Institution:

Uni Research

2. Abbreviation:

3. Department:

CIPR

4. Speciality (ies) field within CCS:

Simulation of fluid flow, Convective dissolution, Vertical equilibrium simulators, Thermal simulation, Equations of state, Pressure bounds, Dynamic capacity estimation, Joint inversion of monitoring data, Uncertainty quantification, Well optimization

5. Web-page:

<https://uni.no/en/>

6. Other info:

7. Contact person:

Name: Ivar Aavatsmark

Position: Principal Researcher

Address: P.O. Box 7800, NO-5020 Bergen, Norway

e-mail: ivar.aavatsmark@uni.no

Phone: 0047 5558 3544

Place and Date: Bergen, 17 February 2016

Signature:
