THE MASTER PROGRAMMES IN INTERNATL. HEALTH IN BERGEN AND OSLO

Gunnar Bjune
Inst. For Health and Society
University of Oslo
FROM DEVELOPMENT AID TO GLOBAL HEALTH

- Medical work in Norwegian mission org.
- NORAD and the 1960ies
- AHRI, Makerere
- Norwegian Internatl. Health Association
- NGOs’ need for pre-service training
- Palestine, Nicaragua - UiTø
- Center of International Health, UiB
- Section for International Health, UiO
1980ies: Clinical medicine (UiB)
1990ies: Community medicine (UiO)

UiB: Strong push: ”Centre” (Faculties of Dentistry, Medicine and Psychology) 
”Growth by expansion”

UiO: Strong resistance: ”Activist cell” (Institute for General Pract. and Com.Med.)
”Growth by infiltration and metastasies”
VISION, OBJECTIVES AND PRACTICE

Similar vision: Junior researchers
UiB: Focus on low-income countries
  Mainly African and Asian students
UiO: ”Global health”
  25% Nor. Residents. ”International classroom”
UiB: Closeness to clinical and lab. Medicine
  Wide field of expertise (academic staff)
  Three main fields (diabetes, mat. health, TB)
Both pairing with institutions abroad
## "THE ICH MATRIX"
