Apply for STUD-ENT funding

Photo: Shutterstock

» Are you a student with a business idea?

Is your business idea related to knowledge you obtained through your studies?

You can apply for NOK 1 million to realise your idea!

Your business idea does not have to be linked to a specific branch of industry, and students from all subject fields can apply.

Applications must be submitted by **13 February**.

Read more about the application requirements in the call for proposals:
